

Gauchos Counting Days to Vacation

By ADRIENNE SIDWELL
 "George Washington Slept Here," this year's senior play under the direction of Mr. John Bastone, was a big financial success. Tickets for Thursday's matinee were sold out. Many Narbonites enjoyed the play. The cast is to be congratulated for its fine performance. After Friday evening's performance, the cast met at Bill Brookesby's home for a party. It is rumored the party wasn't over until 4 a.m.!

Yesterday the Senior GAA played host to the Junior GAA. Games were played, skits were given, and refreshments were served. All the girls reported that they had a grand time.

ECC Homecoming Soldier Awarded Ribbon in Korea

Trophies for winners in El Camino college's annual Homecoming day parade held Thanksgiving day will be awarded at a program in January. Merl F. Sloan, director of Student Personnel, announced recently.

Sweepstakes winner for the fifth consecutive year was the Phi Sigma Upsilon fraternity with its entry entitled "Evolution." Theme of the parade this year was "Fantastic Dreams of the Future."

A second five-year winner was the Chi Theta Chi sorority, which again took the first place prize in the Women's Division with its float, "One Universe in Peace." The two fraternal groups now hold permanent possession of one trophy and two legs toward the ownership of a second.

"Future Man" was the title of the float that brought first place in the Men's division to the Sigma Phi Kappa fraternity. In the service and special interest division, Phi Beta Lambda was awarded first place.

Serving as judges of the 14 float parade were Harold Mincey, representing the Hermosa Beach Kiwanis club, Foster Hall, president of the Hawthorne Kiwanis club, and Forrest Murdoch, president of El Camino college. Trophies for winning floats are donated annually by the Torrance, Hawthorne, and Hermosa Beach Kiwanis clubs.

Judging of the floats was based upon a 25 point maximum per float. Five points were given in each of the following divisions: originality of theme, adaptability of theme, quality of workmanship, effort expended, and handling of the float while on parade.
